BoB Staff: New Faces

Caleb Fesmire has joined the Box of Books staff as our new Circulation and Program Assistant.

Caleb (he/him) studied writing at Houghton University. He lives in Wellsville with his wife, who is also a librarian! He has a passion for media of all kinds, from books and movies, to video games and graphic novels and is very excited to put that passion to good use at the Box of Books Library!

Be sure to stop in and see Caleb's first major project: a shift of young adult and graphic novels, with plans to expand our graphic novel and video game collections!

Drake O'Connor is a student worker from Alfred State College where he majors in HVAC. He will graduate May 2025.

Tina Frechette has joined us as a substitute. She has been covering the circulation desk when we are short-staffed.

Summer reading is approaching!

Mark your calendars for summer reading! This year, our theme is Adventure Begins at your Library. We are planning a ton of fun activities for the whole family. Last year, we had 82 people register for summer reading. We'd love to surpass that with a new goal of 100 registrations!

Our Summer Reading program will run from July 8th to August 16th. There will be programs every week, take and make projects, and more!

Summer reading is a great way to encourage reading while school is out. Be sure to follow us on Facebook and Instagram and visit our website to stay tuned for all summer reading news!
